## Remote Desktop for iPad using iPhone RSA SecurID Log-On / Log Off Instructions

### LOGGING INTO VT.BDPLAW.NET ON IPAD USING IPHONE

1. Assuming that you have downloaded "WYSE" on your (iPhone / iPad) device, proceed to Step (2). If not refer to the user guide "[vt.bdplaw.net for iPhone & iPad](#)" in "Help & Support" on the Intranet or visit [www.bdplaw.net](http://www.bdplaw.net)

2. On the iPhone, open the RSA application:

3. Now enter the PIN (9+three-digit lawyer number) and press the "Arrow" key to accept. If you have a two-digit Lawyer Number (i.e. 070) enter **9070** on your device

4. 8 digits are displayed on your iPhone

5. On your iPad, go to "Pocket Cloud" and tap on "BDP vTS1" icon/link and proceed to next step
6. Click on "Other User" button:

7. In the "RSA SecurID" log on screen, enter your "Username" (same as office) and "Passcode" (8

digit number as illustrated in step 4. Press **ENTER** or click on **Arrow key** to continue

#### NOTE:

If prompted to "enter next Passcode", wait until the code on the iPhone changes (up to 1 minute) and then enter the new 8 digits that are displayed. The system is just verifying that the token is in synch.

If an incorrect PIN is entered, the iPhone will display an INCORRECT token code which will cause login to fail. To correct the PIN, access the Application **Menu** and then choose "Re-enter PIN". If an incorrect PIN is entered too many times, the token will be disabled and an administrator will need to re-enable on the next business day

8. Simply click **OK** on the "Windows Security" screen:

9. Type your "Windows Password" (same as office) and press **ENTER** or click **Arrow key** to complete log-on process

### LOGGING OFF FROM VT.BDPLAW.NET ON IPAD

Do not click the "X" on the Remote Desktop banner. Instead do the following:

1. Click **Start**
2. Click **Log-off "username" only**

### ENABLING A LOCKED REMOTE SESSION

If you log-on incorrectly more than 3 times, your Remote Session will be locked permanently and you will need to contact your administrator on the next business day to un-lock your account
